

## TP-Compact

### 12L Portable Dehumidifier

This dehumidifier is designed for convenience with user-friendly features, a durable, compact, glossy-white body that blends elegantly in any room. These dehumidifiers help remove moisture daily from small sized rooms such as bedrooms, dens and bathrooms.

Honeywell Dehumidifiers are designed for portability, with smooth-gliding castor wheels and convenient top handles to move the unit from room to room with ease. The continuous drain option further increases flexibility by allowing you to continuously drain the condensate water.
